I would like to remind all Committee Chairs and Officers to be sure to submit receipts for their Committee expenses for reimbursement. By doing so, we as an Intergroup uphold the Seventh Tradition of being self-supporting when it comes to NHI expenses. Please contact me with any questions about NHI expenses.

Remember, we need Region 6 reps. Sorry that I had to pull out of the April Assembly. It has been a rich experience. I highly recommend this service to you. Contact Pam if interested. –Debi G

Twelfth-Step Within

Are members of your meeting participating in the three “Been Slipping and Sliding” reading and writing suggestions offered monthly from the Twelfth Step within Handbook?? If not, why not encourage them to start now? Two questions posed for February recommend readings from the OA Twelve and Twelve and For Today. The third question asks, how do I use each of the OA tools of recovery? How frequently do I use them? Please bring the TSW handouts back to your meetings to share these great suggestions.
