<b>Budget</b> Nancy S	<p><b>The Budget Committee met after the October Business Meeting to prepare the new Budget for the 2013 Calendar year. The Proposed Budget will be presented at the November NHI meeting. Overall, our Income is stable from Meeting donations, but not growing to keep up with our Expenses. In the past, we have relied on Ways and Means sales and revenue from Sharathon to help us keep pace with expenses. With no Ways and Means or Sharathon Committee Chairs to generate revenue, we have had to reduce certain expense categories.</b></p> <p><b>The Budget Committee will be making a series of financial and operational motions at the November meeting to guide us in reducing costs. NHI Reps are encouraged to review the proposed budget and raise questions at the Business meeting.</b></p> <p><b>The budget will be voted on at the December NHI meeting. Just a reminder for Officers and Committee chairs to submit any outstanding expenses for 2012 reimbursement as soon as possible.</b></p>
