<b>Public Information</b> Eileen RT	<p><b>We have reviewed the manuals for public outreach and public information. We would like to consider taking part in the Derry Senior Health Fair in April 2014, and have done preliminary outreach to Community Caregivers who are one of the coordinators of the fair. With the help of Judy C. from Concord, who has offered to help and be part of the committee; we plan to develop "a plan" and budget for more outreach in the balance of 2013. We hope that more outreach - to professionals - such as our own physicians, and public postings will also increase membership. The manuals from OA are extremely helpful and specific.</b></p>

<b>Twelfth-Step Within</b> Peggie M.	<b>The May 2013 TSW hand-out presents the question, How Do We Carry the Message? It emphasizes the importance of not getting discouraged or disappointed when our efforts in carrying the message do not bring the results we'd hoped for. Suggestions are given on how individuals can support members. Please bring the handout back to your home meetings to encourage members to carry the message to others.</b>

<b>Website</b> Jill M.	<b>Nothing new is happening with the website at the moment. When I return from WSBC I would like to spend some time and set up a wordpress-based site, which will help make the webmaster position easier to fill. If you or anyone you know from your meetings and other contacts is interested in coming to intergroup meetings and helping us with our website, please let me know!</b>
	<b>Because we are not mailing out packets or printing as much documentation for intergroup meetings, it's important that reps and other interested members can get to this information online. Items such as the minutes, financials and committee reports contain sensitive data and are therefore password-protected.</b>  <b>Click on the bottom link for NHI Reps. There is a lot of good material here but it is not protected. For the other documents, go down to the bottom and click on the link for "Restricted Section." The username is service, and the password is serenity. You will then see links for the other documents.</b>
