As it says on page 163 of The Twelve Steps and Twelve Traditions: <ul style="list-style-type: none"> "Funds are necessary to keep meetings operating. In keeping with tradition seven we pay all group expenses out of the group basket, whether they be for rent, photocopying, coffee, or other supplies. ... When the treasury grows beyond a prudent reserve needed to meet short-term expenses, groups pass along these funds to their intergroups, regions, and the World Service Office. These service bodies require financial support if they are to continue carrying the message in ways groups cannot." <p>The OA Handbook for Members, Groups and Service Bodies suggests meetings send 60% of excess funds to the local Intergroup, 10% to the local Region, and 30% to the World Service Office.</p> <p>See the oanewhampshire.org website for more information.</p> |

Once the initial site is live, the committee would like to bring forward the issue of posting these audio files on the NHI site, as well as, discuss additional functionality that we’d like to offer to the group through our website. |

| <p>Workshops Pat S.</p> | <p>The committee is hoping to get at least one more workshop scheduled before the end of the year. I am already looking at scheduling dates for 2017—possibly January, May and sometime in the fall. It appears that Concord and Manchester seem to be the more popular areas and we have already established sites in those areas. Also, there was a suggestion on one of the surveys that we have a half-day workshop rather than a full day. I would appreciate feedback as to how folks feel about a half-day workshop and would you prefer a morning or afternoon workshop (assuming that the event would be on a Saturday).</p> |
