May 2016 – NHI Committee Reports

Eileen RT	looking forward to Sunday's meeting, and sending out more information to groups and members.
Retreat Sue W.	We have had our first committee meeting, the next one is in June. We have Doreen's help with the flyer (yay!) and our goal is to have it approved by the Event Flyer Committee in June.
Sharathons Pat S.	I have been contacted by a New Hampshire meeting that may be interested in hosting a sharathon. They will get back to me after their group conscious/business meeting in May or June.
Twelfth-Step Within Diane L.	No Report.
Ways & Means Effie S.	No Report.
Web Site Doreen D.	<p>Site Design & Launch</p> <p>The site continues to be in development. The public and secured sections of the website have been completed. However, a bug was discovered in the code where some menu items that are properly coded are linking to unrelated pages. This issue is currently being addressed and hopefully be corrected within a week.</p> <p>Also, the committee would like to thank the 3 people who contacted us to let us know about some broken links and typos. We would like to encourage other NHI members to take a tour through the site as well to help identify any other errors that may have been missed.</p> <p>To test the secure section – to the extent that it has been built – please use these test credentials:</p> <p style="padding-left: 40px;">UID: 16chair0311 PW: SA2REWReBusp_ma6ufE!aw#rast@_ucr</p> <p>PLEASE NOTE: The site is still in development so you may run into links that are not working or content that doesn't appear to line up properly. This includes the reCaptcha box on all forms. Once the site is live on its proper domain, the reCaptcha box will work.</p>

May 2016 – NHI Committee Reports

We Need Your Feedback

Please feel free to provide your feedback about the site to the web committee about anything that is concerning you. When doing so please provide the following for each concern you have so that we can know exactly what you are referring to:

- the page URL
- where on the page the error is
- a description of the error
- As an example, say you found a typo on our newcomers' page. To submit that to us, you would provide the following:
 - **Page URL:** <http://divinelysupported.com/nhitest/newcomers>
 - **Where:** In 3rd paragraph under "Overeaters Anonymous Preamble"
 - **Error:** The word "abstain" is spelled wrong.
- If you have general feedback about the site itself, not an error, please also feel free to provide this information to us.
- All feedback can be emailed to the committee using the following email address: oanhi.new.site@gmail.com
- **Current Task List**
- As of today, here is the committee's current "To Do" list in regards to this project:
 - Arrange for hosting
 - Move test site to new hosting account
 - Test new site on new hosting account
 - Test Site
 - Confirm links, forms, and reCaptcha works
 - Create email accounts for NHI members
 - Create User IDs and secure passwords
 - Associate these new email addresses with appropriate forms on the website
 - NOTE: These email addresses will not be listed anywhere on the website. When a form for a particular member is submitted through the website, the information from that form will be emailed to the member's new oanewhampshire.org email address.
- 301 Redirects
 - Code that makes sure old pages that people may have bookmarked will be redirected to the new, appropriate page
- User Manuals
 - Create an easy-to-use user manual for web committee members to complete edits to the website
 - Create an easy-to-use user manual for NHI members to access their respective email accounts

May 2016 – NHI Committee Reports

	<ul style="list-style-type: none"> • For testing purposes, the website has been made live on a test server. Currently none of the search engines are indexing this site. Each member can access the public section of this site by using this URL: http://divinelysupported.com/nhitest • Email Capture/Blasts • Per the vote at the March business meeting, the web committee will arrange for a MailChimp account once the new hosting has been secured. NOTE: This new MailChimp account will use a newly created oanewhampshire.org email address. • Future Development • It has come to one of our member’s attention that some meetings within NHI have been recording their speakers. Once the initial site is live, the committee would like to bring forward the issue of posting these audio files on the NHI site, as well as, discuss additional functionality that we’d like to offer to the group through our website.
<p>Workshops Pat S.</p>	<p>To date I have received no input as to how folks feel about a half-day workshop and whether a morning or afternoon workshop would be preferred (assuming that the event would be held on a Saturday).</p>
